

## Town Council

A regular meeting of the Town Council was held on Tuesday evening last with Mayor Gardiner presiding and all Councillors present except Mr Keeling.

The Secretary read the minutes of previous meeting which were confirmed by the Council.

The Secretary reported that an informal meeting was held last week at the request of the Calgary Power Co. for the re-negotiation of their franchise with the town, Mayor Gardiner acted as Chairman at this meeting. Two representatives of the Calgary Power were present. Considerable discussion took place and complaints were made to these men about the Company not having anyone in charge locally in case of trouble, street lighting, etc.

Secretary reported a few minimum school tax arrears, and these offenders will be stepped on in the near future.

Upon report of Public Works Committee the Council decided that the Town Pump should be lined up and overhauled.

The list of Fire-brigade members was read to the Council, some new names having been added. These members are expected to attend the monthly practices for which they will be paid at the rate of 50c per practice.

A lengthy discussion took place re the rent arrears of the Curling Club and a committee from the Council was appointed to meet a committee from the Curling Club to see if some new arrangements could be made.

A number of circulars were read by the Secretary concerning relief administration under the newly elected Provincial and Federal governments.

al governments. The Council discussed the local relief situation for the coming winter. A committee has been selected to draft a quota of the suggested requirements.

It was suggested that the Council should hold a convention, inviting members of surrounding town and Village Councils to attend so that any common issues could be discussed. This appeared rather favorably to the Council and December 6th has been set as a possible date. It was also suggested to get some prominent Government official to be in attendance.

The matter of the relief of E. Callaghan of Calgary was brought up as it was learned he has been employed since last month and has not reported this fact to the Council. After a discussion it was decided his relief should be cut off for a month.

A number of bills were presented and passed for payment, after which the meeting adjourned.

## Local News Items

A number of friends of Dorothy Christensen arranged a jolly surprise party for her Thursday last to celebrate her 21st birthday. The guests gathered in Harner's Hall, where dancing, various games, and choice refreshments, contributed to a very happy evening. Dorothy was the recipient of some pretty gifts accompanied by the best wishes of her friends. About 25 were present.

A joint service of Remembrance will be held in the Memorial Hall at 3 p.m. Sunday, November 10th. Rev. T. B. Winter will conduct the service, and the sermon will be given by Rev. V. M. Gilbert. As in former years the evening services at St. Michael's and United Church will be also drawn Sunday next, and the afternoon service at Cheadle.

The Musical Club held a very happy gathering at the home of Mr and Mrs C. A. Lydiatt Monday last. Sincere sympathy is expressed to Mr Earl Gillespie and Mrs Sid Moore formerly of Strathmore, and Miss Grace Gillespie in the death of their step-father Mr Love who died very suddenly from a heart attack Monday at his home at Millerville. The funeral was held from Stivers Funeral Home Wednesday.

Miss Florence Hall of Calgary was a guest last week of Mrs C. Lambert. It was a strange coincidence that Miss Hall was a guest at the home of Rev. Trench in Kobe, Japan some years ago, and both were in Strathmore during the same week.

Monday morning, Mrs Gillis of Cochrane, mother of Mrs Rellinger, passed away after a half hour's illness from heart trouble, at the advanced age of 86 years.

The deceased lady had resided in Cochrane for many years. Possessed of an unusually benign disposition, she warmly endeared herself to many friends.

The funeral was held in Cochrane Wednesday at 10.30 a.m. when Mass was celebrated. Rev. Father Fitzpatrick officiating.

## Keep Faith

(By M. Josephine Turner)

Away 'neath Flanders' Fields they be  
Andneath the briny deep:  
While far and wide o'er all the world  
Their loved ones yearn and weep.

They died; and yet their spirit lives,  
Reminding us to cease  
All warfare, and keep faith with them,  
They died at war, for Peace.

All praise to those brave Heroes;  
All shame to those who dare  
Break faith with them, with Flanders  
Fields.  
Those crosses white and bare.

Oh! on this day unite in prayer,  
And may the Prince of Peace  
Grant what you ask in their dear name,  
That carnage, war, shall cease.

Sisters, daughters, widows, mothers,  
You fatherless young men,  
Keep faith, keep faith they are calling,  
Keep faith, keep faith, Amen.

## Successful Tombola

The Annual Supper and Social Evening given under auspices of the Sacred Heart Church again attracted a large number.

The excellence of these annual dinners has become an established fact, and the tables were repeatedly filled, 215 coming for dinner and 147 going in for mid-night supper. The tables were adorned with lovely "mums", which were admired by all.

Rev. Father Cosman was everywhere present to greet the many who came.

As always the Bingo table attracted many a coin from a hopeful player.

Later dancing to the timely strains of music dispensed by the Blue Serenaders lured the many to trip the ligh fantastic to the snail hounds.

The holders of the lucky tickets drawn were, First, W. Evans, Cheadle; Second, Mrs J. Van Tighem; Third, Bill Warrack; Fourth, Alice Rellinger; 5th R. C. Perkins 6th Mrs A. DeVaux, Cheadle. To whom we tender our congratulations.

The Ladies in charge of the tables and refreshments were Mesdames Ver Weire, Gardiner, Swenson, A. Chase and Miss Dina Van.

### TRAGIC ACCIDENT

"In the midst of life we are in death" was forcibly proven when our town was again shaken to its core by the very critical condition of Jack Bennett and Albert Wagstaffe, as the result of a collision with a snow plow about 6 a.m. Thursday.

At 2.30 a.m. the two men were both happily enjoying the dance at the Memorial Hall, quite unaware of the cloud which was hovering and so soon to shadow them.

The two men left in a car for work at Gleichen and 4 miles south of the Gleichen turn, collided with the snow plow, about 17 1/2 miles from Strathmore. Dr. Gilman was summoned by phone and rushed to the scene of the tragedy. He found the men in a very critical condition and took them at once to a Calgary hospital.

Later reports from Dr. Mackie states that Bennett is suffering from serious internal injuries, ruptured stomach, and leg badly broken, and Albert Wagstaffe has both fractured skull and elbow. Both in very critical condition.

Friday, November 8th the remains of Bridge Party will meet at 8 p.m. at Patterson's home in the afternoon, and the evening Bridge at Mrs. Robinson's.

### CHRISTIAN SCIENCE

At all Christian Science Churches next Sunday, the subject of the Lesson-Sermon will be "Adam and Fallen Man." The following is one of the Scriptural quotations contained in the Lesson-Sermon: "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for righteousness: that in the correction, for instruction in the way of God may be perfect, thoroughly furnished unto all good works." (II Timothy 3.16,17). One of the correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, is as follows (page 548): "Christian Science separates error from truth, and breathes through the sacred pages the spiritual sense of life, substance, and intelligence. In this Science, we discover man in the image and likeness of God. We see that man has never lost spiritual estate and his eternal harmony."

## CARSELAND

Among recent social gatherings was that held at the home of Mrs G. B. Field to do honour to Mr and Mrs Meade Moore on the occasion of their silver wedding anniversary.

Mr and Mrs Moore came to Alberta 25 years ago, Mr Moore having come first from his home in Pennsylvania in 1907.

A short programme preceded the presentation, consisting of a solo by Mrs C. Fryer, duet by Rev F. and Mrs Forster, and community singing. Mrs Standley presided at the piano.

The presentation was made by Rev. F. Forster, the beautiful case of silver being carried in by little Kathleen Anderson. Mr C. A. Phillips, one of our veteran settlers, spoke a few words of reminiscence and appreciation regarding the guest of honour.

A reply was made by Mr Moore, in which he told of

the incidents surrounding his first arrival here. Delightful refreshments brought a very pleasant evening to a close.

School is in full swing again.

On Sunday last Mr E. C. Cole was taken to the Holy Cross Hospital in Calgary suffering from an attack of appendicitis. He was operated on and is reported as doing fine. We wish him a speedy recovery.

Mr. James Nelson and family have left and are reported on route for California.

### THE LEAGUE OF NATIONS

The deliberations under the guide and control of The League of Nations have most assuredly gone far to save the world from being drawn into a maelstrom of carnage. Pro and con now hopeful, now startling has the battle of words, treaties, sanctions and what not waged.

Uterior motives for preserving peace have been ascribed to different members of The League, Britain among the others.

While one cannot endorse the standard—“My Country, right or wrong” even so the purpose that prevents a world conflict such as would have developed, conduces to the general welfare of the world.

The League of Nations has once again justified its existence.

### TENTH ANNIVERSARY CONVENTIONS OF THE UNITED CHURCH

During the past four weeks conventions in connection with the tenth anniversary of the United Church of Canada have been in progress in the Eastern provinces and are now to be held in the Western provinces. These gatherings are part of the general anniversary celebration and are an important part

of the programme. They are planned with the object of bringing home to the members and adherents of the churches a realization of what has been accomplished in the ten years which have passed since the United Church was formed and to afford an opportunity for discussion on the direction to be taken in the next decade.

“Know your church” is one of the keynotes of the conventions, and the work now being carried on in the various departments of the United Church and its obligations will be dealt with by some of the noted speakers who are coming from Eastern Canada.

One of the Western conventions will be held in Calgary, Tuesday and Wednesday, November 2 and 3, and a Committee has been appointed to make the necessary arrangements. Announcement will be made later concerning the programme and the names of the speakers.

### INTERESTING LETTER

The following extracts are from a letter from Mrs. Girvin, in which we feel her many Strathmore friends will be much interested.

My Dear Mr Moore—  
We have been in residence at 467 Earl St. since Sept 12th and we are all enjoying Kingston very much indeed.

Evangeline and Romola have been attending University here since the opening on Sept 24th. They both seem to enjoy their work immensely, also the other activities, initiations, football, tennis, pyjama parades and free for all battles in the wide spacious halls of old Queen's between the Med's and Science men and those of Art and Theology over the election of officers for the Alma Mater Society. There are many new and varied such like experiences for the first year student.

Our girls Evangeline and Romola were very fortunate in being chosen on the tennis team of four to represent Queen's, along with four girls from each of five Eastern Universities, McGill, Varsity, McMaster and London or Western, at a tennis tournament held on Sept 17, 18 and 19 at London, Ont. The team from here left on Sept 17th, returning on the 20th. They had a marvellous outing, and a great experience to be so fortunate as to be on the team the first year.

We had a splendid trip from Calgary to Kingston via Cheyenne, Wyoming, Chicago, Toronto and travelled on pavement all the way from Shelby, Montana. We went south to Cheyenne, called on some old friends of Dr. A. W. Girvin, Dr. Huffman, then took the famous Lincoln Highway east into Chicago, where we remained four days. In Toronto we attended a large reception of relatives and friends then proceeded to the lovely old historic city of Kingston. We like it here very much, like to take a walk along the lake shore.

We enjoy receiving the Strathmore Standard, pro-

## PERENNIAL WHEAT

Dr. Cora Hind, veteran agricultural authority of the West, who is fulfilling a commission to visit all the wheat growing areas of the world, and observe what she is abundantly qualified to observe has been spending some time in Russia.

She has written to the Winnipeg Free Press regarding one interesting experiment in perennial wheat which is being made at an agricultural station at Saratov. The area in which the experiment has been carried on for the past five years is similar in many respects to Alberta. It is one of

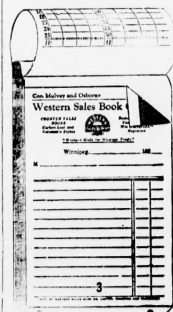

a very light rainfall subject to intense summer heat and intense winter cold, and without much snow cover. And it can produce high grade winter wheat.

What the research workers are hoping to perfect is a winter and spring wheat which is drought resisting and will produce a reasonable yield year after year without re-seeding.

In Miss Hind's opinion, this experiment if developed successfully, should be watched with interest by Western Canadian agriculturists. She thinks that this new plant might be profitably used to produce feed, add humus to the soil and prevent drifting.
